Dear Mr. Bruce:

Thank you for writing and expressing your opinion that a further investigation should be made of the assassination of President Kennedy.

House Resolution 204 has been introduced in the present Congress to create a select committee to conduct a new investigation and study of the circumstances surrounding the deaths of John F. Kennedy, Robert F. Kennedy, and Martin Luther King, Jr., and the attempted assassination of George Wallace.

This is an issue of great concern to all of us, and you can be assured I will give it most thorough consideration.

I appreciate knowing your thoughts and concerns.

Best regards.

Sincerely,

John Glenn
